

Soccer Families,

Capital Soccer Fields (CSF) is a community-focused youth soccer complex, independently operated and not affiliated with any soccer club or organization. Our mission is to provide a safe, well-maintained, and welcoming place for local players, families, and teams to enjoy the game. We are proud to be recognized by Washington State as a nonprofit organization serving our region's youth soccer community.

Starting **September 1, 2025**, CSF will introduce a parking fee for Saturday and Sunday league games and tournaments. This change supports our ongoing commitment to keeping the facilities safe, well-maintained, and enjoyable for players and families. Every dollar collected will go directly toward field and parking maintenance and improvements.
