

## **Soccer Families,**

Capital Soccer Fields (CSF) is a community-focused youth soccer complex, independently operated and volunteer-run as a nonprofit organization, and not affiliated with any soccer club or organization. Our mission is to provide a safe, well-maintained, and welcoming place for local players, families, and teams to enjoy the game. We are proud to be recognized by Washington State as a nonprofit organization serving our region's youth soccer community.

As a reminder, CSF maintains a parking fee for Saturday and Sunday league games and tournaments. This is not a new change for the current season, but an ongoing policy supporting the long-term sustainability of the complex. Revenue from parking fees directly supports essential field upkeep, parking area maintenance, and ongoing improvements, helping ensure a positive experience for everyone who visits Capital Soccer Fields.
